And whereas Westcoast and Western Pacific have submitted that it would be expedient and in the interest of all concerned that if the title conferred by these grants could be registered under the provisions of the *Land Registry Act*:

And whereas the *Land Registry Act* permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by subsection 258 (2) of the *Land Registry Act*:

And whereas the grants have been issued on the basis that when and as soon as Western Pacific shall have laid the initial pipe in the exercise of the authority granted to it by the said Order in Council the rights, licences, liberties, privileges, and rights-of-way granted by the said Order in Council shall thereupon and thereafter be confined and restricted as provided in the said Order in Council:

Therefore, His Honour the Lieutenant-Governor in Council has been pleased to order, by Order in Council No. 2557,

2. When and as soon as Western Pacific has laid its initial pipe, the rights-of-way shall be reduced in width as provided in the said Order in Council.

3. Within eighteen months after the completion of the construction by Western Pacific of its initial pipe, a final plan of the rights-of-way shall be prepared by Westcoast and Western Pacific in accordance with the regulations which the Surveyor-General has issued or may issue, and copies of such plan shall be deposited with the Surveyor-General as he may require. The Surveyor-General shall, after approval, transmit the necessary approved copies of the plan to the proper Land Registry Office for deposit.

4. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the rights-of-way and the title of Westcoast and Western Pacific by striking out the description of the lands therein and substituting therefor the description of the lands according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the rights-of-way and shall relate back to and have the same force and effect as if that description were contained in the original Crown grants of the rights-of-way and registered in the register.

NOTICE TO CONTRACTORS

Salmon Arm Electoral District

Bridge Project No. 338 — Trans-Canada Highway, Mile 431.15, Sicamous Narrows Bridge, Contract No. 1 (General).

SEALED TENDERS, marked "Tender for Bridge Project No. 338—Contract No. 1 (General), Sicamous Narrows Bridge, Trans-Canada Highway," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Standard time) on Thursday, the 7th day of December, 1961, and opened in public at that time and date. Contractors who are residents of Canada at date of tender are eligible, or if the contractor is a corporation it must have been incorporated and carrying on business in Canada for at least one year prior to date of tender.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street,

Vancouver 1, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
